

## §2D1.1

- (K) The term “**Converted Drug Weight**,” for purposes of this guideline, refers to a nominal reference designation that is used as a conversion factor in the Drug Conversion Tables set forth in the Commentary below, to determine the offense level for controlled substances that are not specifically referenced in the Drug Quantity Table or when combining differing controlled substances.

### Commentary

**Statutory Provisions:** 21 U.S.C. §§ 841(a), (b)(1)–(3), (7), (g), 860a, 865, 960(a), (b); 49 U.S.C. § 46317(b). For additional statutory provision(s), *see* Appendix A (Statutory Index).

### Application Notes:

1. **Definition of “Plant.”**—For purposes of the guidelines, a “*plant*” is an organism having leaves and a readily observable root formation (*e.g.*, a marihuana cutting having roots, a rootball, or root hairs is a marihuana plant).
2. **Application of Subsection (a).**—Subsection (a) provides base offense levels for offenses under 21 U.S.C. §§ 841 and 960 based upon the quantity of the controlled substance involved, the defendant’s criminal history, and whether death or serious bodily injury resulted from the offense.

Subsection (a)(1) provides a base offense level of 43 for offenses under 21 U.S.C. § 841(b)(1)(A), (b)(1)(B), or (b)(1)(C), or 21 U.S.C. § 960(b)(1), (b)(2), or (b)(3), to which the mandatory statutory term of life imprisonment applies because death or serious bodily injury resulted from the use of the controlled substance and the defendant committed the offense after one or more prior convictions for a serious drug felony, serious violent felony, or felony drug offense.

Subsection (a)(2) provides a base offense level of 38 for offenses under 21 U.S.C. § 841(b)(1)(A), (b)(1)(B), or (b)(1)(C), or 21 U.S.C. § 960(b)(1), (b)(2), or (b)(3), to which the statutory minimum term of imprisonment of not less than 20 years to life applies because death or serious bodily injury resulted from the use of the controlled substance.

Subsection (a)(3) provides a base offense level of 30 for offenses under 21 U.S.C. § 841(b)(1)(E) or 21 U.S.C. § 960(b)(5) to which the statutory maximum term of imprisonment of 30 years applies because death or serious bodily injury resulted from the use of the controlled substance and the defendant committed the offense after one or more prior convictions for a felony drug offense.

Subsection (a)(4) provides a base offense level of 26 for offenses under 21 U.S.C. § 841(b)(1)(E) or 21 U.S.C. § 960(b)(5) to which the statutory maximum term of imprisonment of 15 years applies because death or serious bodily injury resulted from the use of the controlled substance.

The terms “serious drug felony,” “serious violent felony,” and “felony drug offense” are defined in 21 U.S.C. § 802. The base offense levels in subsections (a)(1) through (a)(4) would also apply if the parties stipulate to the applicable offense described in those provisions for purposes of calculating the guideline range under §1B1.2 (Applicable Guidelines) or to any such base offense level.

3. **“Mixture or Substance.”**—“*Mixture or substance*” as used in this guideline has the same meaning as in 21 U.S.C. § 841, except as expressly provided. Mixture or substance does not include materials that must be separated from the controlled substance before the controlled substance can be used. Examples of such materials include the fiberglass in a cocaine/fiberglass bonded suitcase, beeswax in a cocaine/beeswax statue, and waste water from an illicit laboratory used to manufacture a controlled substance. If such material cannot readily be separated from
