

2. **Requirement of Multiple Participants.**—This guideline is not applicable unless more than one participant was involved in the offense. *See* the Introductory Commentary to this Part (Role in the Offense). Accordingly, an adjustment under this guideline may not apply to a defendant who is the only defendant convicted of an offense unless that offense involved other participants in addition to the defendant and the defendant otherwise qualifies for such an adjustment.

3. **Applicability of Adjustment.**—

- (A) **Substantially Less Culpable than Average Participant.**—This section provides a range of adjustments for a defendant who plays a part in committing the offense that makes him substantially less culpable than the average participant in the criminal activity.

A defendant who is accountable under §1B1.3 (Relevant Conduct) only for the conduct in which the defendant personally was involved and who performs a limited function in the criminal activity may receive an adjustment under this guideline. For example, a defendant who is accountable under §1B1.3 for a loss amount under §2B1.1 (Theft, Property Destruction, and Fraud) that greatly exceeds the defendant's personal gain from a fraud offense or who had limited knowledge of the scope of the scheme may receive an adjustment under this guideline. For example, a defendant in a health care fraud scheme, whose participation in the scheme was limited to serving as a nominee owner and who received little personal gain relative to the loss amount, may receive an adjustment under this guideline.

- (B) **Conviction of Significantly Less Serious Offense.**—If a defendant has received a lower offense level by virtue of being convicted of an offense significantly less serious than warranted by his actual criminal conduct, a reduction for a mitigating role under this section ordinarily is not warranted because such defendant is not substantially less culpable than a defendant whose only conduct involved the less serious offense. For example, if a defendant whose actual conduct involved a minimal role in the distribution of 25 grams of cocaine (an offense having a Chapter Two offense level of level 12 under §2D1.1 (Unlawful Manufacturing, Importing, Exporting, or Trafficking (Including Possession with Intent to Commit These Offenses); Attempt or Conspiracy)) is convicted of simple possession of cocaine (an offense having a Chapter Two offense level of level 6 under §2D2.1 (Unlawful Possession; Attempt or Conspiracy)), no reduction for a mitigating role is warranted because the defendant is not substantially less culpable than a defendant whose only conduct involved the simple possession of cocaine.
- (C) **Fact-Based Determination.**—The determination whether to apply subsection (a) or subsection (b), or an intermediate adjustment, is based on the totality of the circumstances and involves a determination that is heavily dependent upon the facts of the particular case.

In determining whether to apply subsection (a) or (b), or an intermediate adjustment, the court should consider the following non-exhaustive list of factors:

- (i) the degree to which the defendant understood the scope and structure of the criminal activity;
- (ii) the degree to which the defendant participated in planning or organizing the criminal activity;
- (iii) the degree to which the defendant exercised decision-making authority or influenced the exercise of decision-making authority;
