

§5G1.3

an undischarged term of imprisonment or after sentencing for, but before commencing service of, such term of imprisonment.

2. Application of Subsection (b).—

- (A) **In General.**—Subsection (b) applies in cases in which all of the prior offense is relevant conduct to the instant offense under the provisions of subsection (a)(1), (a)(2), or (a)(3) of §1B1.3 (Relevant Conduct). Cases in which only part of the prior offense is relevant conduct to the instant offense are covered under subsection (d).
- (B) **Inapplicability of Subsection (b).**—Subsection (b) does not apply in cases in which the prior offense was not relevant conduct to the instant offense under §1B1.3(a)(1), (a)(2), or (a)(3) (*e.g.*, the prior offense is a prior conviction for which the defendant received an increase under §2L1.2 (Unlawfully Entering or Remaining in the United States), or the prior offense was a crime of violence for which the defendant received an increased base offense level under §2K2.1 (Unlawful Receipt, Possession, or Transportation of Firearms or Ammunition; Prohibited Transactions Involving Firearms or Ammunition)).
- (C) **Imposition of Sentence.**—If subsection (b) applies, and the court adjusts the sentence for a period of time already served, the court should note on the Judgment in a Criminal Case Order (i) the applicable subsection (*e.g.*, §5G1.3(b)); (ii) the amount of time by which the sentence is being adjusted; (iii) the undischarged term of imprisonment for which the adjustment is being given and the relevant case information (including docket number); and (iv) that the sentence imposed is a sentence reduction pursuant to §5G1.3(b) for a period of imprisonment that will not be credited by the Bureau of Prisons.
- (D) **Example.**—The following is an example in which subsection (b) applies and an adjustment to the sentence is appropriate:

The defendant is convicted of a federal offense charging the sale of 90 grams of cocaine. Under §1B1.3, the defendant is held accountable for the sale of an additional 25 grams of cocaine, an offense for which the defendant has been convicted and sentenced in state court. The defendant received a nine-month sentence of imprisonment for the state offense and has served six months on that sentence at the time of sentencing on the instant federal offense. The guideline range applicable to the defendant is 12–18 months (Chapter Two offense level of level 16 for sale of 115 grams of cocaine; 3 level reduction for acceptance of responsibility; final offense level of level 13; Criminal History Category I). The court determines that a sentence of 13 months provides the appropriate total punishment. Because the defendant has already served six months on the related state charge as of the date of sentencing on the instant federal offense, a sentence of seven months, imposed to run concurrently with the three months remaining on the defendant's state sentence, achieves this result.

- 3. **Application of Subsection (c).**—Subsection (c) applies to cases in which the federal court anticipates that, after the federal sentence is imposed, the defendant will be sentenced in state court and serve a state sentence before being transferred to federal custody for federal imprisonment. In such a case, where the other offense is relevant conduct to the instant offense of conviction under the provisions of subsections (a)(1), (a)(2), or (a)(3) of §1B1.3 (Relevant Conduct), the sentence for the instant offense shall be imposed to run concurrently to the anticipated term of imprisonment.
