

purposes of this policy statement, however, the amended guideline range remains 108 to 135 months.

To the extent the court considers it appropriate to provide a reduction comparably less than the amended guideline range pursuant to subsection (b)(2)(B), Defendant A's original sentence of 101 months amounted to a reduction of approximately 25 percent below the minimum of the original guideline range of 135 months. Therefore, an amended sentence of 81 months (representing a reduction of approximately 25 percent below the minimum of the amended guideline range of 108 months) would amount to a comparable reduction and may be appropriate.

- (B) Defendant B is subject to a mandatory minimum term of imprisonment of 120 months. The original guideline range at the time of sentencing (as calculated on the Sentencing Table) was 108 to 135 months, which was restricted by operation of §5G1.1 to a range of 120 to 135 months. *See* §5G1.1(c)(2). The court imposed a sentence of 90 months pursuant to a government motion to reflect the defendant's substantial assistance to authorities. The court determines that the amended guideline range as calculated on the Sentencing Table is 87 to 108 months. Ordinarily, §5G1.1 would operate to restrict the amended guideline range to precisely 120 months, to reflect the mandatory minimum term of imprisonment. *See* §5G1.1(b). For purposes of this policy statement, however, the amended guideline range is considered to be 87 to 108 months (*i.e.*, unrestricted by operation of §5G1.1 and the statutory minimum of 120 months).

To the extent the court considers it appropriate to provide a reduction comparably less than the amended guideline range pursuant to subsection (b)(2)(B), Defendant B's original sentence of 90 months amounted to a reduction of approximately 25 percent below the original guideline range of 120 months. Therefore, an amended sentence of 65 months (representing a reduction of approximately 25 percent below the minimum of the amended guideline range of 87 months) would amount to a comparable reduction and may be appropriate.

5. **Application to Amendment 750 (Parts A and C Only).**—As specified in subsection (d), the parts of Amendment 750 that are covered by this policy statement are Parts A and C only. Part A amended the Drug Quantity Table in §2D1.1 for crack cocaine and made related revisions to the Drug Equivalency Tables (currently called Drug Conversion Tables) in the Commentary to §2D1.1 (*see* §2D1.1, comment. (n.8)). Part C deleted the cross reference in §2D2.1(b) under which an offender who possessed more than 5 grams of crack cocaine was sentenced under §2D1.1.
6. **Application to Amendment 782.**—As specified in subsection (d) and (e)(1), Amendment 782 (generally revising the Drug Quantity Table and chemical quantity tables across drug and chemical types) is covered by this policy statement only in cases in which the order reducing the defendant's term of imprisonment has an effective date of November 1, 2015, or later.

A reduction based on retroactive application of Amendment 782 that does not comply with the requirement that the order take effect on November 1, 2015, or later is not consistent with this policy statement and therefore is not authorized under 18 U.S.C. § 3582(c)(2).

Subsection (e)(1) does not preclude the court from conducting sentence reduction proceedings and entering orders under 18 U.S.C. § 3582(c)(2) and this policy statement before November 1, 2015, provided that any order reducing the defendant's term of imprisonment has an effective date of November 1, 2015, or later.

7. **Application to Amendment 821 (Parts A and B, Subpart 1 Only).**—As specified in subsection (d), the parts of Amendment 821 that are covered by this policy statement are Parts A and B, Subpart 1 only, subject to the special instruction at subsection (e)(2). Part A amended §4A1.1
